

This website section is intended primarily for use by teachers in promoting Languages Other Than English programs in Victoria, especially in the context of presenting persuasive arguments for the teaching and learning of languages to school curriculum committees, principals and parents.

The following resources are available by following this [LINK](#) :

1. Articles, brochures and a PowerPoint presentation from authoritative organisations and individuals, supporting the teaching and learning of LOTE
2. A PowerPoint presentation compiled by the MLTAV, incorporating core arguments from the above
3. Information about the MLTAV
