

## Croatian in Victoria

Croatian is spoken, listened to and read on a daily basis throughout the State by growing sections of the community. There is an extensive range of Croatian language media in Victoria, including radio and television programs and Croatian newspapers. Many cultural events are organized across the breadth of the Croatian communities in Victoria.

Croatian is a popular field of study for Year 12 students with more than 160 studying the language annually. Every year the Croatian Language Teachers Association organizes a Graduation ceremony for the year 12 students of Croatian.

Croatian is currently taught the following schools:
