

## Hungarian Jobs

**There are many jobs that benefit from the use of speaking Hungarian. The following are some suggestions:**

- Interpreters are required in many departments such as at Centrelink, government offices, and telephone exchange.
  - Teachers or Tutors in the Hungarian Language from Primary to VCE
  - Business - accountants, financial advisors, taxation, superannuation advice to Hungarian speaking citizens
- Many major businesses require travel to Hungary and liaison with Hungarian speaking people.
- Pedicures, Manicures and other such services for people unable to communicate competently in English.
  - Media - radio or television announcer, journalist for Hungarian newspaper.
